

The success of the year:  
long-life multifunctionality.

**OLIVETTI d-COPIA 250MF  
MULTIFUNCTIONAL DIGITAL COPIER**

**olivetti**

ARE YOU READY FOR SUCCESS? ARE YOU READY FOR A MACHINE THAT REVOLUTIONISES THE CONCEPT OF MULTIFUNCTIONALITY AND BRINGS UNBELIEVABLE IMPROVEMENTS IN OFFICE PRODUCTIVITY? THEN YOU'RE READY FOR THE d-COPIA 250MF, THE OLIVETTI MULTIFUNCTIONAL COPIER COMPLETE WITH A STANDARD PRINTER FUNCTION. SURPRISINGLY ROBUST, IMPRESSIVELY FLEXIBLE, THIS INNOVATIVE MACHINE WITH ITS IMPOSING PERSONALITY WILL HAVE NO TROUBLE DEALING WITH UNEXPECTED WORKLOADS. IN NETWORK ENVIRONMENTS, EVEN BETWEEN TWO DIFFERENT OFFICES, THE d-COPIA 250MF KEEPS PRODUCTIVITY HIGH THANKS TO THE SUPPORT OF SOLID COPY, PRINT, SCAN AND FAX FUNCTIONS. AS WELL AS SUPERIOR DURABILITY: THE MACHINE DRUM WILL KEEP YOU GOING FOR AS MANY AS 300,000 COPIES.

## d-Copia 250MF

full connectivity: parallel, High Speed USB, Fast Ethernet interfaces

automatic duplex feeder

### MULTIFUNCTIONALITY TO CHEER FOR

The Olivetti d-Copia 250MF is the new frontier in multifunctionality, the ideal tool to handle the operating needs of one or more offices. With its powerful performance levels, flexibility and low running costs, this multifunctional digital copier sets new records in its product category.

On the Olivetti d-Copia 250MF, the printer is provided as a standard feature, to ensure that the typical stability and robustness of digital copiers also extends to the print function.

With the optional scanner and fax, the Olivetti d-Copia 250MF delivers all the capabilities you need, for professional quality in every area. All in one machine and with the guarantee of exceptionally long life: the drum will keep you going for a good 300,000 copies.

### A GALAXY OF STARS

The Olivetti d-Copia 200MF gives you everything you need.

Its copy function implements state-of-the-art laser technology. And in network environments, the printer handles any format from A3 to A4 for a whole group of computers. The scanner provides top capabilities to scan documents, and then save them on your desktop or forward them to other users with the scan to e-mail function.

The Olivetti d-Copia 250MF also provides full support for digital document archiving. Once a document has been acquired it can be digitally archived, helping you keep your desk free and tidy.

### A WINNER IN SPEED

The Olivetti d-Copia 250MF uses a powerful 300 MHz PowerPC CPU to keep processing times to a minimum, even on the heaviest workloads.

A capacious memory is the secret of its speed, which clocks up 25 pages or copies per minute. The scan rate is 25 pages per minute too (A4), while the fax function takes only 3 seconds to transmit an A4 page.

But users know that speed also depends on easy operation.

The Olivetti d-Copia 250MF keeps things simple, whether you're working from the operator panel, or activating operations directly from your computer. Replacement of consumables is just as quick, and clean, because the cartridge is sealed to prevent toner spills.

### CHOOSING SUCCESS

The Olivetti d-Copia 250MF offers total freedom in paper management, with a stock of up to 1,250 cut sheets and support for formats from the A3 to the A6R. And the optional sorter will staple documents to give your work a professional finish.

## MULTIFUNCTIONAL DIGITAL COPIER

### TECHNICAL SPECIFICATIONS

#### Type desktop/console

Desktop

#### Technology

Monocomponent, Single laser

#### Resolution

600 x 600 dpi

#### Pages per minute

25 cpm

#### Copy formats min/max

A6R/A3-11x17 - Folio

#### Greyscale

256 levels

#### Standard paper supply

Tray: 2 x 300 sheets

Bypass: 50 sheets

#### Dimensions (WxDxH)

574x593x607 mm

#### Weight

47 Kg

#### Power

220-240 Vca, 50/60 Hz, 5A

#### Absorption

Print mode: 485 W

Stand-by: 105 W

Energy-saving mode: 47 W

#### Warm-up time

Normal: 20 sec. or less

When preheated: 10 sec

### COPIER FUNCTION

#### Scanning system

Flat bed scanning by CCD Image Sensor

#### Printing method

Semiconductor laser and electrophotography

#### First copy time

4,9 sec

#### Copy speed

25 cpm

#### Continuous copy

Up to 999

#### Memory

64 MB RAM (max 256 MB - additional socket: 16, 32, 64, 128 MB)

#### Originals

Sheets, Books, 3-D objects

#### Copy formats

A3R-A5R, Folio, 11"x17", 5,5"x8,5"R, Oficio2

Bypass: A3/B6R/A6R, Folio, Oficio2,

11"x17", 5,5"x8,5"R, envelopes

Front-back unit (optional): A3R/A5R, Folio

#### Copy weights

Tray: 60-105 gr/m<sup>2</sup>

Bypass: 45-160 gr/m<sup>2</sup>

Front-back: 60-80 gr/m<sup>2</sup>

#### Paper capacity (80 gr/m<sup>2</sup>)

Trays: 2x300 sheets

Bypass: 50 sheets

Trays (optional): 2x300 sheets (PF-410A)

#### Output capacity

Max. 250 sheets

#### Pre-set reproduction ratios

4E/5R

#### Zoom

25% - 200% (step 1%)

#### Image density regulation

Manual/Automatic

#### Functions

Language select, number copies select, copy density control (7 levels), auto exposure, image quality mode, auto paper select, auto magnification select, auto and manual zoom, auto select original document size, thick/thin paper mode, OHP select, copy interrupt mode, auto start, auto tray select, programming function, margin shift, border erase mode, auto front-back function, recognition and copy of multiple-format documents, split copy from book, sorting, stapling, scan once print many function, rotate sorting copy mode, combine mode (2 in 1, 4 in 1), continuous scanning, energy saving mode.

### PRINTER FUNCTIONS

#### Printing speed

25 ppm

#### CPU

PowerPC 750CX 300MHz

#### Memory

64 MB (max. 320 MB - additional socket: 32, 64, 128, 256 MB + Microdrive)

#### Resolution

600x600 dpi (max. 1200x600 dpi)

#### Interfaces

Bi-directional parallel IEEE 1284, USB 2.0 (high

speed), Fast Ethernet (10/100BaseTX), Kuio LV - slot for optional interface, Microdrive slot

#### Languages

PCL6, PCL 5e (XL, P/L), KPDL3 (PostScript3 compatible), KC-GL, Line Printer, IBM P/PX24E, Diablo 630, Epson LQ-850

#### Drivers

Windows 95, 98, Me, NT 4.0, 2000, XP Apple Mac OS 9.x-10.x, Unix/Linux

#### Connectivity

TCP/IP, IPX/SPX, NetWare 3.x, 4.x, 5.x, NDS, NetBEUI, AppleTalk, MacOS9.x e 10.x, WINS, SNMP, SMTP, HTTP/HTML

#### Fonts

80 fonts (PCL6), 136 fonts (KPDL3)  
Bitmap fonts: 17 + 79 (outline fonts)

#### Stapling

With optional finisher: DF-410

### OPTIONS

#### PLATEN COVER

#### AUTOMATIC FRONT-BACK DOCUMENT FEEDER (DP-410A)

#### Original format

A3-A5R, Folio

#### Original paper weight

ADF mode: 45-160 gr/m<sup>2</sup>

RADF mode: 50-120 gr/m<sup>2</sup>

#### Capacity

50 sheets

#### Dimensions (WxDxH) and Weight

552x483x120 mm, 6 Kg

#### PAPER TRAY UNIT (PF-410A)

#### Paper format

A3-A5R, Folio

#### Capacity

300 sheets

#### Paper weight

60-105 gr/m<sup>2</sup>

#### Dimensions (WxDxH) and Weight

570x538x135 mm, 7 Kg

#### PEDESTALS (CP 16H e CP 16L)

#### DUPLEX UNIT (DU-410)

#### Paper format

A3-A5R, Folio

#### Paper weight

60-80 gr/m<sup>2</sup>

#### FINISHER UNIT (DF-410)

#### Paper format

A3-B5, 11"x17"

**Paper weight**

60-105 gr/m<sup>2</sup>

**Capacity**

500 sheets A3-B5, Folio

**Staple**

1 position

30 sheets A3-B5, Folio

**Dimensions (WxDxH) and Weight**

325x450x165 mm, 8 Kg

**JOB SEPARATOR (JS-410)****Number trays**

1

**Paper format**

A3-A5R, Folio

**Output capacity**

Max. 100 sheets

**Paper weight**

45-90 gr/m<sup>2</sup>

**Dimensions (WxDxH) and Weight**

545x450x70 mm, 1,5 Kg

**FAX FUNCTION****Lines**

PSTN

**Resolution**

600x600 dpi

**Compatibility**

ITU-T Super G3

**Data compression system**

JBIG, MMR, MR, MH

**Modem speed**

33.6 Kbps

**Transmission speed**

< 3 sec

**Memory**

Bitmap: 4 MB (8 MB max)

Image memory: 4 MB (32 MB max)

**Memory content protection**

60 minutes

**Feed**

DP-410A (50 sheets)

**Scanning format**

Max A3-11"x17"

**Function keys**

Yes

**One-touch dialling**

Yes, 32 numbers

**Abbreviated dialling**

Yes, 200 numbers

**Broadcasting**

Yes, 232 numbers

**SCANNER FUNCTION****System**

Flat bed scanning system with CCD image sensor

**Alignment**

From exposure to bed: top left

From DP410A: centred

**Scanning speed**

25 spm (600 dpi, A4)

**Resolution**

600, 400, 300, 200 dpi (greyscale 256)

**Scan mode**

B&W, Text, Photo, Draft, OCR

**Max.scan size**

A3

**Image format**

TIFF/PDF

**Network protocol**

TCP/IP

**Compression method**

G4 (MMR)

**Driver**

Scanner utility, Address book, Address editor, TWAIN source, Scan to MAC, Paper Port 8.2

**Hardware compatibility**

IBM PC/AT compatible

**Operating Systems**

Windows 95/98/Me/NT4.0/2000

XP/Server 2003/Mac

**Interface**

10Base T / 100Base TX, TWAIN

**Greyscale**

256 levels

**Bundled software**

Scanner utility, Address book, Address editor, TWAIN source, Paper Port 8.2, Scan to Mac

25 pages per minute  
in copy and print mode

50-sheet bypass for greater  
autonomy

large paper stock for the  
A3 and A4 formats

- 1 optional sorter for sorting and stapling
- 2 long-life easy-replacement consumables: 15,000-copy toner, 300,000-copy drum
- 3 ergonomic operator panel with clear, intuitive display
